## ABOUT ME

I am a third-year Telecommunications Engineering student at the Universitat Politècnica de Catalunya (UPC - ETSETB), with a high interest in Data Engineering, Applied Maths, Finance & Consulting.

I am now eager to apply my knowledge to an internship, where I can continue growing and collaborating.

## EDUCATION

**Universitat Politèncica de Catalunya (UPC-ETSETB)** **Barcelona, Spain**
*B.Eng. Telecommunications Engineering* *09/2024 – 06/2028*

- Currently in the 3rd year of my studies, with the first three semesters completed with total success, passing all subjects on the first attempt.
- The studies are done within the PARS program (bachelor's + master's degree), which has an expected duration of six years.

## WORK EXPERIENCE

**UPC NanoSat Lab** **Barcelona, Spain**
*Intern* *02/2025 – 08/2025*

- Collaborated with the nanosatellite laboratory of the Universitat Politècnica de Catalunya (UPC).
- My work consisted in helping to develop software for a temperature sensor that would later be integrated into the $^3$Cat-8 nanosatellite.

## PROJECTS

**Cinquillo**

- Together with two classmates, we developed a program that simulated the popular Spanish card game "cinquillo". It was programmed entirely in C and had two game modes: manual or automatic.

**ROUV**

- Alongside three colleagues, we developed a "Remotely Operated Underwater Vehicle" (ROUV) following the MIT specifications. I was responsible for programming the MATLAB code that allowed the vehicle to orient itself in the water with the help of ultrasonic sensors.

## COURSES

**DELOITTE** - Data Analytics

- Completed a Deloitte job simulation involving data analysis and forensic technology
- Created a data dashboard using Tableau
- Used Excel to classify data and draw business conclusions

**Cisco Networking Academy** - Python Essentials 1

**IE UNIVERSITY** - Introduction to Data Science

**GOLDMAN SACHS** - Risk

**ISAE SUPAERO** - Flight Mechanics - The basis

**ISAE SUPAERO** - New Space: Acces to space - Basics

## SKILLS & INTERESTS

**Languages**: Catalan (native), Spanish (native), English (fluent/ B2+)
**IT**: Microsoft Office, AI-Tools (Claude, Gemini), C, Java, MATLAB, Python, PiSpice
**Interests**: Cycling, History, Maths, Economics, Physics
